BRUCE A. BIERHANS, ESQ.  
HONORARY FINANCE CO-CHAIR

BILL BOGDANOVICH  
HONORARY FINANCE CO-CHAIR

MANUELA HIR  
FINANCE CHAIR

November 22, 2024

Barnstable, MA - The Committee to Re-elect District Attorney Rob Galibois announces that Brewster resident Bill Bogdanovich is joining the campaign as Honorary Finance Co-chair alongside Attorney Bruce Bierhans and Finance Chair Manuela Hir.

Bill has been the President and CEO of Broad Reach Healthcare in Chatham for more than 35 years. He and his team of 300+ employees provide a continuum of post-acute and community-based healthcare services for older adults. The flagship facility of Broad Reach is Liberty Commons, an innovative nursing community with a capacity to care for 132 older adults.

Bill is widely known, respected, and has a longstanding reputation as a forward thinker and compassionate leader. He has served as a Member and Past Vice President of the American College of Healthcare Administrators. He is also a current member and Past Chair of the Massachusetts Senior Care Association. In December of 2022, Bill was appointed Chair of the Board for the Housing Assistance Corporation. He leads HAC in its mission to empower individuals, foster community connections, and strengthen community resilience by increasing affordable housing opportunities.

Having learned of the District Attorney's focus on fraud and elder abuse, as well as Rob's innovative approach to criminal justice built on the belief that "a healthy community is a safe community," Bill whole-heartedly agreed to join Rob in his re-election efforts.

"Rob is working to increase capacity to investigate rampant fraud and protect older adults who are vulnerable to predatory scams and abuse throughout our communities," said Bill. "Not only has he created a new position for the Chief of Vulnerable Adults and Human Rights in his office, but Rob has actively pursued and successfully secured grant funds that are bringing invaluable resources to our communities that greatly enhance public safety."

"As the foundation of all his work, Rob continuously engages stakeholders to raise awareness, support local initiatives, and strengthen our communities. Rob takes this same proactive and collaborative approach to every case. His efforts include collaborating with law enforcement officials from the outset of a matter through thorough investigations that often involve several law enforcement agencies. From my own experience, I know the vital importance of collaboration and engagement to truly make a difference. And I look forward to working with Rob and other members of his campaign team to help build upon the collaborative foundation he began in his first campaign."

Bill will join Attorney Bruce A. Bierhans who served as Honorary Finance Chair and Manual Hir who served as Finance Chair during my first campaign.
